

FRIENDS NEEDED!

SCOTT CO. CENTRAL LIBRARY

You can be a “Friend of Scott County Central Library” by donating books, audio books, DVDs, computer software, or your time to our library. You may also donate money that will be used towards the purchase of new materials for our students in grades Pre-K-12.

There are many occasions to remember a loved one: their birthday, an anniversary, a special occasion or event, and even a memorial to someone you loved or cherished as a friend or family member. What better way to keep those memories alive than with a book that will be used and enjoyed for years to come?

A bookplate recognizing your generous donation will be placed in the book, and a personal note will be sent to the person honored or to their family members on the occasion of a memorial book.

To volunteer in the library or for more information on making a donation, please call the librarian, Amber Gill, at 471-3511 ext. 314.

**PLEASE HELP MAKE A DIFFERENCE AND PROMOTE
