

Superintendent Update

March 30, 2020

Dear Parents, Guardians, and Community Members:

The Scott-Mississippi Area Superintendents have met and made the decision to extend the school closure up to and including April 13th. This decision will be re-evaluated on April 6th. Districts across the state are continually evaluating the situation, taking the advice of state and local health departments, as well as the CDC, to make informed decisions. Our main concern is the health and well-being of our students and families.

We will continue to provide our meal deliveries to students each morning, Monday through Friday. If anyone has been missed and would like to be added to our routes, please contact one of our building offices between the hours of 8:00-12:00. For updates and additional resources, please visit our school website or Facebook page. Stay safe and stay well!

Sincerely,

Brian Hukel

Superintendent of Schools

Scott County Central
